

Rehabilitation of 2 Bridges on County Road
13/Mustang Road
North of Fox's Corners
NOTICE OF PUBLIC INFORMATION CENTRE

October 31, 2025

Dear Recipient:

The City of Kawartha Lakes is undertaking engineering analysis of two structures on Mustang Dr/Concession Rd 13. Currently, these structures are beginning to show signs of wear and do not match modern design standards. A careful investigation has been undertaken to determine what level of rehabilitation is required, as well as areas in which the bridges must be upgraded to comply with modern safety standards. The ultimate design will consider the financial cost to the City and potential impacts to landowners and the environment. Construction activities will have temporary impacts on road users, and construction will extend to just beyond each structure.

The Public Information Centre (PIC) will be held on November 19th, 2025. The meeting will be an informal 'drop-in' format where residents can view the design concept and ask representatives from the Project Team questions.

Public Information Centre

Date: Wednesday November 19th, 2025
Time: 5:00PM-7:00PM
Location: 26 Francis Street, Lindsay, ON K9V 4G3
